Directors' Report

Review of Operations

During the financial year the company continued its following core activities. The results from trading operations of the Club were impacted by COVID19 restrictions for the first 11 days of trade until the re-opened on the 11 October 2022. However, the Directors note that trading activity has been variable due to in part the continued impacts of COVID, challenges in employing and retaining staff and deteriorating economic climate.

Bar Trading:

Bar sales for the year totalled \$1,277,380 which is a increase from 2021 of \$935,542 (37%). The increase in total turnover is principally due to the 2022 year having almost a full year's trade, while the prior year was significantly impacted by COVID restrictions. The trading profit increased by \$79,810 (38%) to \$290,355.

Poker Machine Trading:

Net takings for the year totalled \$2,862,899 which is an increase from 2021 of \$800,689 (39%). The increase in total turnover is principally due again to the 2022 year having almost a full year's trade, while the prior year was significantly impacted by COVID restrictions. The trading profit increased by \$616,404 (49%) to \$1,874,966.

Catering Trading:

Catering sales for the year totalled \$1,413,357 which is an increase from 2021 of \$432,730 (44%). The increase in total turnover is principally due again to the 2022 year having almost a full year's trade, while the prior year was significantly impact by COVID restrictions. The Directors also note that the catering activities where made more challenging due to the difficulty in finding trained chef's and catering staff to work in the café, restaurant and kitchen.

The Directors during the year have made changes to the operations within catering and incurred a net trading loss of \$57,629 for 2022. While the loss for 2022 was higher than in 2021, this has been affected by multiply factors including changes in staff, renovations to the kitchen and general difficulties in operating a catering business.

Membership

Total members for the year ended 30 September 2022 was 8,660 (2020: 9,272).

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$2.00 each towards meeting any outstanding obligations of the company.

As at 30 September 2022 the total amount that members of the company are liable to contribute of the company is wound up is \$17,320 (2021: \$18,544).

Independent Auditor's Report to the Members Of Erina Rugby League Football Club Limited

Report on the Financial Report

Opinion

We have audited the financial report of Erina Rugby League Football Club Limited (the company), which comprises the statement of financial position as at 30 September, 2022, the statement of profit or loss and other comprehensive income, statement of changes member's funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of Erina Rugby League Football Club Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 30 September, 2022 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosure Requirements and the *Corporations Regulations 2001*.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Erina Rugby League Football Club Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 September 2022, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Independent Audit Report To The Members Of Erina Rugby League Football Club Limited

Other Information (continued...)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this report.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian accounting Standards – Simplified Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine as necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

**Independent Audit Report To The Members
Of Erina Rugby League Football Club Limited**

Auditor's Responsibilities for the Audit of the Financial Report (continued...)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

Note 1. Summary of Significant Accounting Policies

Basis of Preparation

Erina Rugby League Football Club Limited applies Australian Accounting Standards – Simplified Disclosure Requirements as set out in AASB 1060: *Application of Tiers of Australian Accounting Standards*.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on January 2023 by the directors of the company.

Accounting Policies

(a) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to members, guests etc.

Revenue from rendering a service is recognised upon the delivery of the service to members, guests etc.

Where the entity receives memberships, sponsorships or grants, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB15.

Where both these conditions are satisfied the Company;

- Identifies each performance obligation relating to the membership, sponsorship or grant;
- Recognises a contract liability for its obligations under the contract or grant;
- Recognises revenue as it satisfies its performance obligations.

Erina Rugby League Football Club Limited
ABN 19 000 845 410

Notes To The Financial Statements
For The Year Ended 30 September 2022

Note 1. Summary of Significant Accounting Policies (cont'd)

(a) Revenue (cont'd)

When the contract is not enforceable or does not have sufficiently specific performance obligations, the Company;

- Recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (AASB9, AASB16 and AASB138);
- Recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liabilities);
- Recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Inventories

Inventories are measured at the lower value of cost and current replacement cost. Inventories held for distribution are measured at cost adjusted, when applicable, for any loss of service potential.

Inventories acquired at no cost, or for normal consideration, are valued at the current replacement cost as at the date of acquisition.

(c) Property, Plant and Equipment

Each class of Property, Plant and Equipment is carried at cost or fair values as indicated, at independent valuation, less, where applicable accumulated depreciation and impairment losses.

Property

Buildings and Improvements are measured on the basis of cost. Freehold Land was measured at an independent valuation by Mr Benjamin Doran of Robertson & Robertson, registered valuer, such valuation was carried out on 16 October 2018. The valuation has not been taken up in the financial statements.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit and loss.

As the revalued buildings are depreciated the difference between depreciation recognised in the Statement of Comprehensive Income, which is based on the revalued carrying amount of the asset, and the depreciation based on the asset's original cost is transferred from the revaluation surplus to retained earnings.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Notes To The Financial Statements
For The Year Ended 30 September 2022

Note 1. Summary Of Accounting Policies (cont'd)

(c) Property, Plant and Equipment (cont'd)

Property (cont'd)

Plant and Equipment

Plant and Equipment are measured on the cost basis and therefore carried at cost less accumulated depreciation and any accumulated impairment. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised in either profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment recoverable amount is made when impairment indicators are present (refer to Note 1 (e) for details of impairment). Plant and equipment that have been contributed at no cost are recognised at their fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

<i>Class of Fixed Asset</i>	<i>Depreciation Rate</i>
Buildings	2%
Plant and Equipment	5 – 20%
Poker Machines	20%
Leased Plant and Equipment	20%
Landscaping	5%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Notes To The Financial Statements
For The Year Ended 30 September 2022

Note 1. Summary Of Accounting Policies (cont'd)

(d) Financial Instruments

Recognition

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial instruments, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at cost which includes transaction costs when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Financial assets

Financial assets that are within the scope of the accounting standards are required to be subsequently measured at amortised or fair value on the basis of the company's business model for managing financial assets and the contractual cash flow characteristics of the financial assets. The company holds investment classified as financial asset at fair value through other comprehensive income. In adopting AASB 9 Financial Instruments, the company has made an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. No further impairment of the financial assets at fair value through other comprehensive income will be recognised.

Financial Liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation. Where there is an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, the loans and borrowings are classified as non-current.

(e) Impairment of Assets

At the end of each reporting period, the entity assesses whether there is any indication that an asset may be impaired. If such indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value in use, to the assets carrying amount.

Any excess of the assets carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(f) Employee Benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave, long service leave and accumulating sick leave expected to be settled wholly within the 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled. Non-accumulating sick leave is expensed to profit or loss when incurred.

Other long-term benefits

The liability for long service leave not expected to be settled within 12 months of the reporting date is recognised as non-current liabilities, provided there is an unconditional right to defer settlement of the liability. The liability is measured as the present value of the expected future payments to be made in respect of services provided by employee up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bodies with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST included is not recoverable from Australian Taxation Office.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(i) Income Tax

Under present legislation income derived by the Company is not assessable to income tax as per an exemption granted by the Australian Taxation Office under Division 50 of the *Income Tax Assessment Act 1997*.

(j) Comparative Figures

When required by accounting standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(k) Trade and Other Receivables

Trade and other debtors include amounts from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Trade and Other Debtors expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other trade debtors are classified as non-current assets.

(l) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(m) New Accounting Standards and Interpretations

The company has adopted all new or amended Accounting Standards and Interpretations issued by the Australia Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. There were no Accounting Standards and or Interpretations which will have or have had a material impact on the Club for the year.

(n) Critical accounting estimates and judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events are based on current trends and economic data, obtained both externally and within the entity.

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Employee benefits provision

As discussed in Note 1 (f), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.
